Glossary & Legend: Legal Status Terms Explained

- 1. ACTIVE (BASELINE):** Represents a legal rule originating from the baseline *Legal Metrology (Packaged Commodities) Rules, 2011*. It remains in full legal effect unless explicitly amended or substituted.
- 2. AMENDED / SUBSTITUTED:** Indicates that the central government published a Gazette Notification replacing the original clause text with updated statutory requirements. The substituted text in this codebook represents the legally binding rule.
- 3. INSERTED / ADDED:** Refers to a brand-new statutory mandate introduced via amendment after 2011 (e.g., Unit Sale Price in 2021, Country of Origin for imports).
- 4. OMITTED / REPEALED:** Signifies that a specific clause or sub-rule was deleted by gazette notification. Enforcement officials should no longer treat omitted rules as grounds for non-compliance.
- 5. UNIVERSAL RULE:** A mandatory legal requirement applicable to **every packaged commodity** sold, distributed, or imported in India, regardless of product category.
- 6. CATEGORY-SPECIFIC RULE:** Special legal provisions tailored for specific product classes (e.g., Garments, Edible Oils, E-commerce Platforms, Medical Devices, Pan Masala).
